The MGM Grand Hotel

Next year fast approaches as most of you know we are scheduled to hold our annual conference in Las Vegas, Nevada at the magnificent MGM Hotel located right in the center of the Las Vegas Strip. When I was a kid that was so far out we had a quail in that area (today the quails dress a little different). We have managed to obtain a wonderful group rate for an organization such as ours. Let me pre-comment. Group rates are different from individual rates. With the group rates comes all the amenities: the banquet rooms, the lecture rooms, etc., etc. We get this rate, which would normally be a lot more because we agreed to so many rooms. Please make your reservations at this hotel and not at other hotels where you might get a better deal as an individual. We register the same way we always register. You call the hotel and book the room in your name identifying yourself as a member of NAFUSA. Use one of your own major credit cards.

Happy Holidays Everyone!!!

I hope this past year has been as wonderful and rewarding to all of you as it has been for me. Despite the dark clouds around the world, we have continued to persevere. There is something about the fiber of Americans that let us stand up and confront the issues like no place on earth. But, I am sure glad I live here.

Mahlon

Membership Dues Information

Just a reminder that the Board of Directors “unanimously decided it was time to clean up our membership roles. Unfortunately there are many of us who have been receiving the benefits of NAFUSA for many years without paying dues.” In this newsletter we will be privately informing those members who have been remiss in this regard that their dues are owing.
